

ON OUR WAY TO EUROMAINTENANCE

Join us on September 30th (Virtual) European Maintenance Quiz 2021 *powered by NVDO and Mainnovation*

European Maintenance Quiz; On our way to EuroMaintenance

Test your knowledge in the European Maintenance Quiz; On our way to EuroMaintenance

September 30th, 16.00 - 17.00

Due to these uncertain (Covid)times the organization of EuroMaintenance regrettably has decided to postpone the international conference to a new date.

As a gift to everyone who was really looking forward to go to EuroMaintenance (and let's face it, who wasn't), The Dutch Maintenance Society NVDO and Mainnovation, consulting firm specialized in value driven maintenance and Asset Management, present the **European Maintenance Quiz; On our way to EuroMaintenance**.

This entertaining and educational experience is all about maintenance. You can test your knowledge on various maintenance related topics in a fun and interactive way. We invite all European colleagues to join this very unique opportunity.

EuroMaintenance

The questions will be related to the five themes of EuroMaintenance:

- Human Factor
- Safety
- Sustainability
- Smart Industry
- Asset Performance Management

The winner of the European Maintenance Quiz will receive: **Two free entrance tickets to EuroMaintenance** and the booklet **Value Driven Maintenance**.
